Rockland Audubon Society

2012 Birdathon

May 18-19, 2012
(Friday evening through Saturday evening)

It's almost that time again, time for Rockland Audubon Society's annual Birdathon event and fundraiser! You might already know about our Birdathon but if not, here are some details!

Birdathon participants form teams that scour Rockland County for as many bird species at they can find. Team members and sponsors make a pledge for each species that we see within the 24-hour period. After the Birdathon, we will send you a letter with the list of species and will let you know the final amount of your contribution if you make a "per species" pledge. You may also make a set pledge for any amount. The pledges will go toward RAS activities such as our educational programs, field trips, and environmental projects. Your pledge is tax-deductible, and you will receive a letter for tax purposes after the Birdathon.

If you would like to create or join a Birdathon team or have questions, please call (845) 639-9216. Also, if you create a team, we will send you pledge forms for you and your team members.
